Detailed Information

General Information

2011 Fryeburg Fair videos will only be available on DVDs. Last year's videos will be for sale and playing in the Aggie Building on Cross Road or Aggie Road.

A Brief Glimpse of the Fryeburg Fair

This is a short (about 15 minutes) video touching on the events and features, as well as the history, of the Fryeburg Fair.

Draft Horses & Ponies

All Cart Class events that occur in front of the grand stand, as well as all the Halter Classes in the Pulling Ring, will be included on this 4 hour, 2 DVD set. Grand Parade appearances will also be included. The winners in the Cart and Halter Classes will be identified by the announcer as they receive their ribbons.

Horse Pulling

This 4 hour, 2 DVD set, will cover all the pulling events. All contestants, loads, team weights, and distances will be identified constantly throughout the video by overlay graphics. The winners

and their statistics will be shown in single screen graphics at the end of each class. All Grand Parade appearances and awards will be included.

Ox Pulling

Here we will also have a 4 hour, 2 DVD set, covering all events. All contestants, loads, team weights, and distances will be identified constantly throughout the video by overlay graphics. The winners and their statistics will be shown in single screen graphics at the end of each class. All Grand Parade appearances and awards will be included.

Grand Parade

The complete Grand Parade, as well as the pre-parade entertainment, will be available on one DVD.

All Five Scrambles

All four pig scrambles and the calf scramble will be combined on one DVD. Each contestant's name and where they are from will be displayed by overlay graphics when they are introduced by the announcer.
