No dogs allowed within the fenced-in area of the fairgrounds

If you want to bring a dog, tell us and we will get you a site outside the fence at the same price as inside. When you leave the grounds, either have a pass or get stamped at the gate. A plastic license from the Maine Harness Racing Commission will serve as one pass but only cars with an R or an O sticker will be allowed inside the paddock area. The R stickers are only good for car and driver.
